Hopefully, this booklet will prove informative and helpful for you and your parents/carers. Please read it carefully and show it to your parents/carers so that they are also aware of the exam regulations and the procedures which must be followed in the event of any problems occurring.

The awarding bodies (also called examination or exam boards) set down strict criteria which must be followed for the conduct of exams and the Isle of Wight Education Federation is required to follow them precisely. You should therefore, pay particular attention to the JCQ Information for Candidates - Written Exams 2024-25, that is enclosed with this booklet and also the JCQ Information for Candidates - Coursework 2024-25, JCQ Information for Candidates - Non-Examination Assessment 2024-25, JCQ Information for Candidates - onscreen tests 2024-25, JCQ Information for Candidates - Social Media Infographic - JCQ Suspected Malpractice: Policies and Procedures 2024 - 2025 - Al Use in Assessments - Protecting the Integrity of Qualifications

All the JCQ Information for Candidates documents can be found on the JCQ website and on the Carisbrooke College website.

# **BEFORE THE EXAMS**

#### Timetables:

All candidates will receive their exam timetable prior to the exam series. Please check that these are correct and that they include the subjects you study. Some subjects only have one tier of entry, some have Foundation or Higher Tiers. Please check that the tier is correct and let your subject teacher or the exams officer know as soon as possible of any omissions or errors.

You must check all the details on your Statements of Entry very carefully. Particularly check that all personal details (date of birth, spelling of names) are accurate as these will appear on certificates and it may be difficult and costly to change them once certificates are awarded.

Please note that entries are made in your legal name and gender, if there are any changes you must provide legal proof in order for us to make any amendments.

#### Withdrawal/Non-attendance

If a candidate withdraws from the exam after the exam board final date for amendments, or if a candidate does not attend the exam, without good reason, the candidate/parent/carer will be invoiced the full cost of the exam.

#### **Examination Boards**

Carisbrooke College uses the following Exam Boards: AQA, OCR, Pearson Edexcel, Eduqas/WJEC and NCFE/CACHE. This list is not exhaustive and may change.

#### **Candidate Number:**

Each candidate has a four-digit candidate number. This is the number you will enter on exam papers. **Please remember it.** 

#### UCI/ULN:

Each candidate must have a Unique Candidate Identifier (UCI) and a Unique Learner Number (ULN) which is shown on the top of statements of entry. Your UCI/ULN is used for administration purposes and it is not necessary for you to remember it. If you move on to another education provider they may ask for this information.

#### Identification

Candidates at Carisbrooke will be issued with a candidate identification card which will display their photograph, name and four digit candidate number. The candidate number must be entered in all exam papers and additional stationary.

#### Exam start times

Make sure you know the dates and times of your exams. If you miss a Public Exam **you cannot** take that paper at another time.

Unless notified otherwise:

- Morning exams start at 9.00am
- Afternoon exams start at **1.15pm**

YOU MUST BE AT THE CORRECT ASSEMBLY POINT 15 MINUTES BEFORE THESE TIMES. YOU WILL BE INFORMED OF THE ASSEMBLY POINT FOR YOUR SCHOOL AT THE START OF THE EXAMS SEASON. It is your responsibility to turn up on time for the exam so make sure that you and your parents/carers know the dates and times of each of your exams. If you are late for an exam you may not get the full time and the Exam Board may not accept the script, depending on the circumstances. If you know that you are going to be late, contact the school as soon as possible so that the invigilators will know that you will be turning up late.

#### **Exam Clashes**

Some candidates may have a clash, where two subjects are timetabled at the same time. The school will make special timetable arrangements for these candidates only. You must check your individual timetable and see the Exams Officer immediately if you think there is a clash on your timetable.

#### **Access Arrangements and Reasonable Adjustments**

Access arrangements and reasonable adjustments may be approved for candidates with:

- Physical difficulties;
- Language difficulties;
- Medical conditions;
- Specific learning difficulties.

All Access Arrangements are processed by the SENCO and must be approved before the exam season begins. Please contact the SENCO if you have any questions regarding access arrangements and reasonable adjustments.

More information can be found on the JCQ website.

#### **Special Consideration**

If you are fully prepared for an exam, but are ill, suffer an injury or indisposition on or just before the day of an exam, an application may be made for special consideration for the exam affected. Exam Boards decide on the validity of each application. To support the application for Special Consideration, you will be required to provide a doctors certificate or complete a self-certification form.

#### Equipment

#### MAKE SURE YOU HAVE ALL THE CORRECT EQUIPMENT BEFORE YOUR EXAMS.

Check the regulations in the JCQ INFORMATION FOR CANDIDATES and the information on the following pages.

You must provide all your own equipment unless you have been told otherwise prior to the exam. Borrowing from other candidates is **NOT** allowed under any circumstances.

Ordinary pencil cases or boxes are not allowed in the exam room. You should bring your equipment in a **clear plastic bag or transparent pencil case**.

You will be allowed the full working time for the exam and a report will be sent to the exam board detailing the incident.

# INVIGILATORS

The school employs invigilators to conduct the examinations. Students are expected to behave in a respectful manner towards all invigilators and follow their instructions at all times.

Invigilators are in the exam rooms to supervise the conduct of the examination. They will distribute and collect the examination papers, tell candidates when to start and finish the exam, hand out extra writing paper if required and deal with any problems that occur during the exam, for example if a candidate is feeling ill.

# Please note that invigilators cannot discuss the examination paper with you or explain the questions.

Pupils who are disruptive or behave in an unacceptable manner will be removed from the exam room by invigilators and members of the Senior Leadership Team. Any abuse towards invigilators must be reported to the exam boards as **malpractice**.

## ABSENCE FROM EXAMINATIONS

#### What to do if you are ill on the day of an exam

- If you are ill and are unable to attend an exam it is vital you phone the school first thing in the morning to inform us.
- If you have a doctor's note or medical evidence you must send this to the exams office, or complete a Form 14, self declaration form, detailing the reason for non-attendance. Where appropriate the information will be forwarded to the Exam Board to ask for special consideration. The Board looks at this in conjunction with other exam marks from the student in that particular subject, coursework marks and mock exam marks. This will then sometimes enable them to adjust the mark and grade accordingly.
- If you are feeling unwell, but still able to travel, we suggest you come to the exam and we can assess the situation then. In most cases it is better to take the exam if you can and apply for special consideration.

Please note that the final decision on what special consideration may be applied rests solely with the exam boards.

#### IF IN DOUBT – TELEPHONE THE SCHOOL

Please note that misreading the timetable will not be accepted as a satisfactory explanation of absence. Sometimes in the past, students have had problems getting to an exam on time. This can be as a result of car breakdown, traffic jams, buses not turning up etc.

Although we encourage all students to arrive in plenty of time for all exams, so that there is not a last minute panic, it is important that we have up-to-date contact telephone numbers for both you and your parents/carers, or anybody else who might be able to help in an emergency.

If you are late for an exam, your exam paper may not be accepted by the Exam Board.

### SUMMER EXAM DATES 2025

**Provisional** exam timetables for summer 2025 have now been released, with GCSE exams expected to take place between 08/05/2025 and 18/06/2025. These dates may still be subject to change.

# Please note that vocational qualification exams (BTEC, CACHE, NCFE) are taking place outside of this window.

#### Exam Contingency Dates

All candidates must be available for exams up to and including the 25th June 2025.

## RESULTS

#### **Results Dates**

The Department for Education has issued the following dates for release of results in 2025.

GCSEs Thursday 21st August 2025

Please note that these dates may be subject to change, depending on government updates.

#### **Collection of results**

- Results must be collected in person, unless you have made prior arrangements for someone else to collect them for you.
- You must bring ID with you on results day; this could, bus pass, driving licence, passport, or bank card.
- If you would like someone else to collect your results on your behalf you must submit your request, in writing, to the exams office, **before the 18th July 2025**, stating who will be collecting the results on your behalf. On results day they must bring their ID with them.
- We cannot issue results over the telephone or by email except under exceptional circumstances, which must be pre-approved by the Head of Centre.
- Any results not collected will be posted by 1st class post at the end of the day.

Further information on procedures for results day will be provided closer to the time.

#### Statement of results

On results day you will receive a 'Statement of Results'. THIS IS NOT YOUR FINAL CERTIFICATE. The statement lists the exams you have taken and any components within the qualification.

A capital letter indicates an OVERALL grade, whereas a lowercase letter indicates a COMPONENT within the qualification. The points are the value given to the OVERALL grade for data analysis.

You may also receive an exam board statement of results depending on which qualifications you have taken.

Please keep your Statement of Results safe as next step education providers or employers will need to see it before your certificates are issued.

#### **Post Results**

If you need post-results advice College staff will be available on Results Day, and by appointment on subsequent days. Post results services are available from the exam boards and must be requested through the exams officer. Further information on post-results services will be available closer to the time.

#### CERTIFICATES

Certificates are usually issued to centres in November/December and must be collected in person. You can collect your certificates from the Reception of your centre, **you must bring ID with you**.

**IMPORTANT:** You must collect your certificates and keep them safe. We only keep certificates for 12 months, after which they are securely destroyed, in line with JCQ and awarding body guidelines. Replacements are only available from the awarding bodies and are costly.

### FREQUENTLY ASKED QUESTIONS

- Q. Why do I need to check the details on the Statement of Entry/my Exam Timetable?
- A: The details on your Statement of Entry/timetable will be used when certificates are printed. If the name or date of birth on your certificates does not match your birth certificate it could cause you problems if you are asked to show your certificates to a potential employer or for college/university in the future. You should also check that the subjects and tiers of entry you are entered for are correct and that no subjects are missing.

#### Q. What do I do if there's a clash on my timetable?

A: Your School will reschedule papers internally (on the same day) when there is a clash of subjects. Candidates will normally sit one subject paper followed by the second paper. If in doubt contact the Exam Officer.

#### Q. What do I do if I think I have the wrong paper?

**A:** Invigilators will ask you to check before the exam starts. If you think something is wrong, put your hand up and inform the invigilator immediately.

#### Q. What do I do if I forget my Candidate Number?

A: Candidate Numbers are on your exam timetable. Invigilators will be able to help you find your number.

#### Q. What do I do if I forget the School Centre Number?

A: The Centre Number will be clearly displayed in the examination room.

#### Q. What do I do if I have an accident or I am ill before the Exam?

A: Inform the school at the earliest possible point so we can help or advise you. In the case of an accident that means you are unable to write it may be possible to provide you with a scribe to write your answers but we will need as much prior notice as possible. You may need to obtain medical evidence (from your GP or hospital) or complete a self-certification form if you wish us to make an appeal for Special Consideration on your behalf.

#### Q. What is an Appeal for Special Consideration?

A: Special Consideration is an adjustment to the marks or grades of a candidate who is eligible for consideration. The allowance for Special Consideration is from 0% (consideration given but mark allowance not appropriate) up to a maximum 5%

(reserved for exceptional cases). Students/parents/carers should be aware that any adjustment is likely to be small, the decision rests solely with the awarding body and no feedback is ever provided. Candidates will only be eligible for Special Consideration if they have been fully prepared and covered the whole course but performance in the exam or in the production of coursework is affected by adverse circumstances beyond their control. Examples of such circumstances may be illness, accident or injury, bereavement, domestic crisis. The Exams Officer must be informed immediately, so that the necessary paperwork can be completed (within 7 days of the last exam session for each subject) and the candidate will be required to provide evidence to support such an application.

#### Q. What do I do if I feel ill during the Examination?

A: Put your hand up and an invigilator will assist you. You should inform an invigilator if you feel ill before or during an exam and you feel this may have affected your performance.

#### Q. If I'm late can I still sit the Examination?

A: You can still sit the exam if you are late. You should get to school as quickly as possible and report to Reception. A member of staff will escort you to the examination room. You must not enter an examination room without permission.

You should also be aware that if you start the exam more than 30 minutes after the published starting time, the school is obliged to inform the Exam Board and it is possible that the Board may decide not to accept your work. Please ensure that you allow enough time to get to school so that if you are delayed (e.g. through transport problems) you will still arrive on time.

#### Q. If I miss the Examination can I take it on another day?

A: No. Timetables are regulated by the Exam Boards and you must attend on the given date and time.

#### Q. Do I have to wear school uniform (Carisbrooke/Medina)?

A: Yes. Normal school regulations apply to uniform, hair, jewellery, make-up, etc.

#### **Q.** What equipment should I bring for my Examinations?

A: For most exams you should bring at least 2 pens (black ink only).

For Science Modules you need 2 x HB pencils.

For Mathematics pencils must be used for diagrammatic work.

For some exams you will need a calculator (Maths/Science), a 30cm ruler (marked with cm and mm), eraser, compasses, protractor, coloured pencil crayons (not gel pens).

You are responsible for providing your own equipment for exams.

You must NOT attempt to borrow equipment from another candidate during the exam.

#### Q. What items are not allowed into the Examination room?

A: Only authorised material is permitted in the examination room and students who are found to have any material with them that is not allowed will be reported to the

appropriate Exam Board. In such circumstances, a student would normally be disqualified from the paper or the subject concerned. If in doubt, ask!

Bags and coats and any other items not permitted under Examination regulations and must be left in the area designated for personal belongings.

No food is allowed in the exam room. However, water bottles are allowed and these should be clear bottles with a spill-proof cap. There should be no label or writing on the bottle.

#### Q. Why can't I bring my mobile telephone into the Exam room?

A: Being in possession of a mobile 'phone (or any other electronic communication device, e.g. iPod, MP3/4 Players, headphones) is regarded as cheating and is subject to severe penalty from the awarding bodies:

#### Q. How do I know how long the Examination is?

A: The length of the exam is shown in minutes on your individual timetable under the heading 'duration'. Invigilators will tell you when to start and finish the Exam. They will write the start & finish time of the Exam on a flip chart or board at the front of the Examination room. There will be a clock in the Examination room.

#### Q. Can I leave the Examination early?

A: It is a requirement of the Exam Boards that you must stay in the examination room for at least one hour after the published start time of the exam (or for the duration of the exam if it is less than one hour). It is not Isle of Wight Federation policy to allow candidates to leave the examination room early, as this is disruptive to other candidates. A candidate may not leave the examination room without the permission of the invigilators.

#### Q. What do I do if the fire alarm goes?

A: The examination invigilators will tell you what to do. If you have to evacuate the room, leave everything on your desk and leave the room in silence. You must not attempt to communicate with any other candidates during the evacuation.

#### Q. Can I go to the toilet during the Exam?

A: If it is absolutely necessary. You will be escorted by an invigilator, you must not leave the room unescorted.

#### Q. If I have more than one Exam on a day can I get lunch?

A: Students who have exams in both morning and afternoon sessions may obtain lunch from the dining hall in the usual way or bring a packed lunch.

#### Q. What do I do if I don't get the grades I need?

A: If you feel strongly that it is necessary to make an enquiry about your result you should first consult the Head of Department to obtain their advice as to the advisability of requesting a re-mark. You should be aware that your mark could go down as well as up or even stay the same. Re-mark requests must be submitted to the Exams Office. You must complete a Candidate Consent Form and return it with payment to cover the cost. We have a policy covering the remark process, please contact the Exams Office if you wish to see it.
