English Language

Curriculum Lead: Ms C Jones
cathy.jones@carisbrooke.iow.sch.uk

Paper 1: Explorations in Creative Reading and Writing -1 hour 45 minutes

Paper 2: Writers Viewpoint and Perspectives - 1 hour 45 minutes

Paper	Revision Priorities	Suggested Activities
Paper 1	Reading skills	New GCSE English Language Complete Revision and Practice CGP revision guide: Pages 3-4 & Pages 56-68
Paper 1	Writing skills	New GCSE English Language Complete Revision and Practice CGP revision guide: Page 5, Pages 78-83 & Page 106
Paper 2	Reading skills	New GCSE English Language Complete Revision and Practice CGP revision guide: Pages 6-7, Pages 44-55 & Pages 108-118
Paper 2	Writing Skills	New GCSE English Language Complete Revision and Practice CGP revision guide: Page 8, Pages 84-89 & Page 120

You should also be meeting your daily goal for English on Tassomai to recap these skills.

English Literature

Curriculum Lead: Ms C Jones
 cathy.jones@carisbrooke.iow.sch.uk

Paper 1: Shakespeare (Macbeth) and the 19th Century novel (A Christmas Carol) - 1 hour 50 minutes
 Paper 2: Modern Drama (An Inspector Calls), Worlds and Lives poetry and unseen poetry - 2 hours 15 minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	Shakespeare	<p>Macbeth</p> <p>CGP revision guide: Macbeth:the text guide Section 2: Discussion of Acts Section 3: Characters Section 4: Context and themes Section 5: Shakespeare's techniques Section 6: Exam advice Don't forget each book contains QR codes to revision quizzes.</p> <p>Oak Academy Learning: Macbeth as a Tragic Hero Macbeth and Masculinity</p>	<p>Exam Questions</p> <p>Key Quotations</p> <p>Macbeth as a Tragic Hero Macbeth and Masculinity</p>
Paper 1	19th Century novel	<p>A Christmas Carol</p> <p>CGP revision guide: A Christmas Carol: the text guide Section 1: Background and context Section 2: Discussion of chapters Section 3: Characters Section 4: Themes Section 5: Writer's techniques Section 6: Exam's advice</p> <p>Oak Academic Learning: A Christmas Carol - A Ghost Story A Christmas Carol, A Christian Parable</p>	<p>Exam Questions</p> <p>Key Quotations</p> <p>Copy of Novel</p> <p>A Christmas Carol - A Ghost Story A Christmas Carol, A Christian Parable</p>
Paper 2	Modern Drama text	<p>An Inspector Calls</p> <p>CGP revision guide: An Inspector Calls: the text guide Section 1: Discussion of Acts Section 2: Characters Section 3: Context and themes Section 4: The writer's technique Section 5: Exam advice</p>	<p>Exam Questions</p> <p>Key Quotations</p> <p>Copy of Play</p>

English Literature Continued

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 2	Worlds and Lives poetry	<p>Oak National Academy has lessons on understanding and analysing each poem. It gives helpful advice on comparing poems.</p> <p>CGP revision guide: Worlds and Lives poetry Section 1: The poems Section 2: Themes and context Section 3: Poetic techniques Section 4: Exam advice Section 5: How to get a top grade Section 6: Improving and marking sample answers</p>	<p>Oak National Academy 1</p> <p>Oak National Academy 2</p>
Paper 2	Unseen Poetry	<p>CGP revision guide: Unseen poetry Section 1: Exam advice Section 2: Unseen poetry practice Section 3: Marking sample answers Section 4: Practice exam questions</p>	

Reread the texts.

Watch accurate film versions of the text.

Complete practice questions provided by your teacher

You should also be meeting your daily goal for English on Tassomai to recap these skills.

Mathematics Foundation

Curriculum Lead: Mr P Schlacter
peter.schlacter@carisbrooke.iow.sch.uk

Paper 1: Non calculator - 1 hour 30 minutes

Paper 2: Calculator - 1 hour 30 minutes

Paper 3: Calculator - 1 hour 30 minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1,2 & 3	Individual topics	Use the list of topics that were given to you following the most recent mock analysis - these are the areas you should focus on. The topics link to the Sparx webpage - use Sparx to practice and test your knowledge.	Sparx
Paper 1 & 2	Foundation Maths topics	Watch the videos on the sites linked, complete the related worksheet/quiz and then check your answers on the website. The list of topics have video numbers so you can easily find what you need to cover. Don't forget to use the Corbettmaths revision cards	Corbettmaths Maths Genie Tassomai GCSE Maths tutor List of topics - Foundation
Paper 1,2 & 3	Exam Structure	Use the link to the specification booklet to gain a better understanding of what you will be marked on. Practising exam style questions	Edexcel GCSE and GCE 2014 Onmaths: Self assessed exam papers

Mathematics

Higher

Curriculum Lead: Mr P Schlacter
 peter.schlacter@carisbrooke.iow.sch.uk

Paper 1: Non calculator - 1 hour 30 minutes
 Paper 2: Calculator - 1 hour 30 minutes
 Paper 3: Calculator - 1 hour 30 minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1, 2 & 3	Individual topics	<p>Use the list of topics that were given to you following the most recent mock analysis - these are the areas you should focus on.</p> <p>The topics link to the Sparx webpage - use Sparx to practice and test your knowledge.</p>	Sparx
Paper 1, 2 & 3	Higher Maths topics	<p>Watch the videos on the sites linked, complete the related worksheet/quiz and then check your answers on the website.</p> <p>The list of topics have video numbers so you can easily find what you need to cover.</p> <p>Don't forget to use the Corbettmaths revision cards.</p>	Corbettmaths Maths Genie Tassomai GCSE Maths tutor List of topics - Higher

Art & Design

Curriculum Lead: Mrs Westby
natalie.westby@carisbrooke.iow.sch.uk

Exam: Approximately 10 weeks preparatory followed by a 10 hour exam (completed across two consecutive days)

Revision Priorities	Information Links
Introduction and Mind Map	Setting out your intentions relating to your chosen theme. (A03)
Artist Research x 2	Complete studies and written analysis of your work. (A01)
Recording Observation	Complete drawings, paintings, photographs of imagery relating to your theme. Use previous artist sheets to influence your work (A03/4)
Developing Ideas	Use your artist research and observational studies to begin to develop initial ideas for your final piece. (A01/2/3)
Experimentation	Refine your chosen idea further through experimentation with media in preparation for producing your final piece.

Students should ensure that time is used effectively to complete all tasks, as outlined in lesson. Please utilise after school and lunch time catch up sessions to fill gaps within coursework portfolios.

Business Studies

Curriculum Lead: Mrs E Randall
emma.randall@carisbrooke.iow.sch.uk

Paper 1: Investigating small businesses - 1 hour 45 Minutes

Paper 2: Building a business- 1 hour 45 Minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	<p>Topic 1 - Enterprise and entrepreneurship</p> <p>Topic 2 - Spotting a business opportunity</p> <p>Topic 3 - Putting a business idea into practice</p> <p>Topic 4 - Making the business effective</p> <p>Topic 5 - Understanding external influences on business</p>	<p>Watch the BBC Bitesize videos.</p> <p>Use Seneca to brush up on your knowledge and test yourself.</p> <p>Watch the lessons on exam structure</p>	<p>BBCBitesize: Business</p> <p>Seneca</p> <p>Lesson: Exam Structure</p> <p>Lesson: Exam Structure (9 & 12 mark)</p>
Paper 2	<p>Topic 1 - Growing the business</p> <p>Topic 2 - Making marketing decisions</p> <p>Topic 3 - Making operational decisions</p> <p>Topic 4 - Making financial decisions</p> <p>Topic 5 - Making human resource decisions</p>	<p>Watch the BBC Bitesize videos.</p> <p>Use Seneca to brush up on your knowledge and test yourself.</p> <p>Watch the lessons on exam structure</p>	<p>BBCBitesize: Business</p> <p>Seneca</p> <p>Lesson: Exam Structure</p> <p>Lesson: Exam Structure (9 & 12 mark)</p>
Paper 1 & 2	Calculations	Practice the calculations that have been taught throughout the course	

Please make use of the revision classes that take place during lunch break and after school. Be prepared - both papers require a calculator.

Child Development

Curriculum Lead: Mr A Fleming
anthony.fleming@carisbrooke.iow.sch.uk

Paper 1: Written paper - 1 hour 45 minutes

Revision Priorities	Suggested Activities	Information Links
Content Area 1 - PILES/ Holistic Development. Understand different aspects of holistic development and the expected sequence and key milestones of children's development.	Understanding milestones; Physical Intellectual Language and Communications Emotional and Social Jean Piaget Lev Vygotsky	Milestones
Content Area 2 - Factors that influence development Understand that nature versus nurture alongside transitions may affect the child's development.	Revise and retrieve Nature/Nurture Personal Factors Environmental Factors Biological Factors Transitions Support strategies	Nature vs Nurture
Content Area 3 - Care and Play routines Understand the child's care needs and the importance of play and activities to support the child's independence, health, safety and wellbeing.	Care routines Play activities Supporting development through play The role of the adult	Mildred Parten Social Stages of Play
Content Area 4 - EYFS Understand the purpose, role and function of different types of early years provision.	Provision Statutory Private Voluntary Prime Areas Specific Areas What is an early learning goal?	EYFS Doc

Child Development Continued

Revision Priorities	Suggested Activities	Information Links
Content Area 5 - Legislation Policy and Procedures Understand that early years settings are regulated and standardised.	Regulatory authority Legislation Frameworks Policy and procedure Equality Act UNCRC H&S at Work Act 1974	Early Years Legislation
Content Area 6 - Practitioner Expectations Understand expectations with regards to appearance, behaviour, timekeeping and attitude when working in early years settings.	Appearance Behaviour Attendance and punctuality	
Content Area 7 - Roles and Responsibilities Understand the roles and responsibilities of those working with children in early years settings and the purpose of partnership working within early years provision.	Early years practitioner roles Partnership working in the early years Specialist roles within early years settings Specialist roles outside the early years settings	
Content Area 8 - Observations Understand how observations are used in early years settings, the different methods used and the components of recording observations.	Observation and recording methods Formative assessment Summative Assessment Narrative observations Learning Journal Checklists Sharing observations	
Content Area 9 - Early Years Planning Understand the childcentred approach to planning and the importance of planning to meet the child's needs.	The purpose of a child-centred approach The purpose of the planning cycle The planning cycle	Prime and Specific Areas

Computer Science

Curriculum Lead: Mr P Schlacter
 peter.schlacter@carisbrooke.iow.sch.uk

Paper 1: Written, non calculator - 1 hour 30 minutes

Paper 2: Written, non calculator - 1 hour 30 minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	Computer Systems	<p>Use Seneca, eRevision and online python to test your knowledge.</p> <p>Watch the CraignDave videos and take notes of key information.</p> <p>Use Smart Revise for guided revision</p> <p>Focus on the following topics: The cpu and its components/registers How the CPU interacts with RAM Memory and Storage (Primary - Secondary - Virtual) Denary - Binary - Hexadecimal conversions, and adding two binary numbers Network protocols and DNS</p>	<p>eRevision.uk</p> <p>Seneca Learning</p> <p>Online Python</p> <p>CraignDave videos</p> <p>Smart Revise</p> <p>BBC Bitesize</p>
Paper 2	Computational Thinking, Algorithms and Programming	<p>Use Seneca, eRevision and online python to test your knowledge.</p> <p>Watch the CraignDave videos and take notes of key information.</p> <p>Use Smart Revise for guided revision</p> <p>Focus on the following topics: Sequence - Selection - Iteration (understand these three constructs) Decomposition - Abstraction Boolean Logic (gates and symbols) High and Low-level languages Data representation - sounds, images</p>	<p>eRevision.uk</p> <p>Seneca Learning</p> <p>Online Python</p> <p>CraignDave videos</p> <p>Smart Revise</p> <p>BBC Bitesize</p>
Paper 1 & 2	Exam Structure	The exam specification booklet explains the structure of the exam and what you will have been taught.	<p>Exam Specification Booklet</p>

Design Technology

Curriculum Lead: Mr A Fleming
anthony.fleming@carisbrooke.iow.sch.uk

Exam: Made up of 3 sections, equalling 50% of the final grade. The other 50% is secured through NEA work.

Revision Priorities	Suggested Activities	Information Links
<p>The 6 Rs</p> <ul style="list-style-type: none"> • Be aware of the role that consumers play in reducing waste and the demand on finite resources • Understand the hierarchy of options in responsible and sustainable designs 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 6-9</p>	<p>BBC Bitesize 6Rs</p>
<p>Sustainability and the environment</p> <ul style="list-style-type: none"> • Understand that new technologies need to be developed and produced in a sustainable way • Be aware of the impact that excessive use of certain materials has on the environment • Understand how the environment can be protected by responsible design and manufacturing • Understand how waste can be disposed of with the least impact on the planet • Understand the positive and negative impacts new products have on the environment 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 6-9 & pages 102-103</p>	<p>BBCBitesize: Environmental, social and economic challenges</p> <p>BBCBitesize: Investigating</p>
<p>Design strategies</p> <ul style="list-style-type: none"> • Be able to use a range of design strategies to help produce imaginative and creative design ideas • Understand how to explore and develop design ideas Informing design decisions • Be able to evaluate the advantages and disadvantages of planned obsolescence from different perspectives • Understand how products can be designed to be repaired and recycled 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 104-105</p>	<p>BBCBitesize: Investigating</p> <p>TechnologyStudent: Product Analysis</p> <p>BBCBitesize: Design strategies</p>
<p>Communication of design ideas</p> <ul style="list-style-type: none"> • Understand how to develop, communicate, record and justify design ideas • Be aware of a range of techniques to support clear communication of design ideas • Know how to design and develop prototypes in response to client wants and needs • Be able to critically evaluate prototypes and suggest modifications 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 95-105</p>	<p>BBC Bitesize: Communication of Design Ideas</p>

Design Technology Continued

Revision Priorities	Suggested Activities	Information Links
<p>Selection of materials and components</p> <ul style="list-style-type: none"> • Be able to select and use materials and components appropriate to a specific task • Understand how functionality, availability and cost affect the selection of materials and components 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Page 33 & pages 56-64</p>	<p>BBC Bitesize: Selection of materials and components</p>
<p>Material management</p> <ul style="list-style-type: none"> • Understand how effective design planning can minimise waste • Be aware of how design adaptations and use of tessellation can save time and materials • Understand the value of using measurement and marking out to create an accurate prototype • Be able to recognise and characterise the appropriate tools 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 34-35 & pages 44-47</p>	<p>BBCBitesize: Designing</p>
<p>Material properties</p> <ul style="list-style-type: none"> • The meaning of each of the physical and working properties related to all materials 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 14-15, pages 48-49 & pages 58-59</p>	<p>BBCBitesize: Electronic and mechanical systems</p>
<p>Timbers</p> <ul style="list-style-type: none"> • Know the primary sources of materials for producing natural and manufactured timbers • Be able to recognise and characterise different types of natural and manufactured timbers • Understand how the physical and working properties of a range of natural and anufactured timbers products affect their performance 	<p>Use the links to revise and support your knowledge fo each section.</p> <p>CGP revision guide: Page 17 and 44</p>	<p>BBCBitesize: Mechanical devices</p>

Design Technology Continued

Revision Priorities	Suggested Activities	Information Links
<p>Metals</p> <ul style="list-style-type: none"> • Know the primary sources of materials for producing metals and alloys • Be able to recognise and characterise different types of metals and alloys • Understand how the physical and working properties of a range of metals and alloys affect their performance <p>Polymers</p> <ul style="list-style-type: none"> • Know the primary sources of materials for producing polymers • Be able to recognise and characterise different types of polymers • Understand the physical and working properties of a range of thermoforming and thermosetting polymer 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Page 18 and 45</p>	<p>BBCBitesize: Metals</p> <p>BBCBitesize: Metalbased materials</p>
<p>Textiles</p> <ul style="list-style-type: none"> • Know the primary sources of materials for producing textiles • Be able to recognise and characterise different types of textiles • Understand how the physical and working properties of a range of textiles affect their performance 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Pages 20-23 & page 33</p>	<p>BBC Bitesize:Textiles</p>
<p>Papers and boards</p> <ul style="list-style-type: none"> • Know the primary sources of materials for producing papers and boards • Be able to recognise and characterise different types of papers and boards • Understand how the physical and working properties of a range of paper and board products affect their performance 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Page 16 and 44</p>	<p>BBC Bitesize: Papers and Boards</p>
<p>Tolerances</p> <ul style="list-style-type: none"> • Understand and use tolerances to ensure accuracy is considered when making a product • Understand how a range of materials are formed to designated tolerances • Understand why tolerances are applied during making activities 	<p>Use the links to revise and support your knowledge for each section.</p> <p>CGP revision guide: Page 40</p>	<p>SenecaLearning: Tolerances</p>

Design Technology Continued

Revision Priorities	Suggested Activities	Information Links
Tools, equipment, techniques and finishes <ul style="list-style-type: none"> • Understand how to select and use specialist tools, equipment, techniques and processes • Be aware of relevant health and safety issues when using specialist tools, equipment, techniques and processes to protect yourself and others from harm 	Use the links to revise and support your knowledge for each section. CGP revision guide: Pages 74-75, pages 56-57 & pages 72-73	BBCBitesize: New and emerging technologies Revision World: Health & Safety
Surface treatments and finishes <ul style="list-style-type: none"> • Know and understand that surface treatments and finishes are applied for functional and aesthetic purposes • Understand how to prepare different surfaces for treatments and finishes • Understand how to select and apply appropriate surface treatments and finishes to a range of surfaces 	Use the links to revise and support your knowledge for each section. CGP revision guide: Pages 56-57 & pages 72-73	BBCBitesize: Making

Revisit anything you need to remind yourself of.

Drama

Curriculum Lead: Mrs Westby
natalie.westby@carisbrooke.iow.sch.uk

Paper 1: Written Paper - Understanding Drama - 1 hour 45 minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	Study of a set play: A comprehensive understanding of all aspects of the set play	Ensure you have a good understanding of the set play from the perspective of a performer and/ or a designer. You should know every character and their relationships, status and the playwright's intentions, and the style of the play itself. You should have a good understanding of the design elements used within the work. Use the resources on BBC Bitesize to review and test your knowledge.	BBC Bitesize - AQA Drama
Paper 1	Theatre roles and terminology: Good understanding of the subject specific vocabulary relating to Theatre	Use your course materials to revise the subject specific terminology. You can also use BBC Bitesize to go over subject specific terms - creating flash cards and mind maps can also help remember key words/phrases - these can also be used as revision resources closer to the exam.	BBC Bitesize - AQA Drama
Paper 1	Live Theatre Production: Live theatre performance study-analysis and evaluation of the performances given by professional actors in the staged production	Complete practise questions in preparation for the written paper. In section C of the paper, you will be asked to answer questions relating to a piece of live theatre that you have watched; you must prepare to answer questions from either a performance or design perspective for this section of the paper.	BBC Bitesize - AQA Drama

Food & Nutrition

Curriculum Lead: Mr A Fleming
anthony.fleming@carisbrooke.iow.sch.uk

Paper 1: Written Exam worth 100 marks worth 50% of your overall grade - 1 hour 45 minutes

You will need to be logged into your google account to access the multi-choice tests through google forms.

Revision Priorities	Suggested Activities	Information Links
Macronutrients Fibre	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 1-6 & page 10	Google Form Retrieval- Macronutrients
Micronutrients Water	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 7-9	Google Form Retrieval- Micronutrients
Healthy Eating Guidelines (Making informed choices)	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 11-13 & pages 16-19	Google Form Retrieval- Healthy Eating
Long Questions (8 to 12 marks)		Google Drive Video: Long Question Video Google Doc: Mark descriptor Google Slide: Slow writing 8 mark question
Dietary Disease	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 14-15 & page 20	Google Form Retrieval-Dietary Diseases
Food Safety Food Storage	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Page 22 & pages 24-27	Google Form Retrieval Food Safety

Food & Nutrition Continued

Revision Priorities	Suggested Activities	Information Links
Functional and Chemical Properties of Protein	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Page 28	Google Form Retrieval - Properties of Protein
Functional and Chemical Properties of Carbohydrates	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Page 29	Google Form Retrieval - Changing Properties of Carbohydrates
Functional and Chemical Properties of Fats	Use the links to revise and test our knowledge on the subject area. CGP revision guide: Pages 30-31	Google Form Retrieval - Properties of Fats and Oils
Cooking Methods and Heat Transfer	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Page 25 & pages 22- 23	Google Form Retrieval - Heat Transfer
Raising Agents	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Page 32	Google Form Retrieval - Raising Agents
Nutritional Analysis	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 17-18	Google Doc - Long Question Booklet
Factors Affecting Food Choice - Cultural, Religious and Moral	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 42-45 & pages 48-51	Google Form Retrieval - Factors affecting food choices
Food Provenance	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Pages 55-65	Google Form Retrieval - Food Sources
Microorganisms and Enzymes	Use the links to revise and test your knowledge on the subject area. CGP revision guide: Page 66 & pages 34-40	Google Form Retrieval - Microorganisms

French

Curriculum Lead: Ms C Jones

cathy.jones@carisbrooke.iow.sch.uk

- Paper 1: Listening - Foundation 35 minutes. Higher 45 minutes
- Paper 2: Speaking - Foundation: 9 minutes + preparation time. Higher 12 minutes + preparation time
- Paper 3: Reading - Foundation 45 minutes. Higher 1 hour
- Paper 4: Writing - Foundation 45 minutes. Higher 1 hour

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1, 2, 3 & 4	Practice your listening, speaking, reading and writing skills	<p>Test your knowledge on Quizlets</p> <p>New GCSE French Complete Revision and Practice.(topic based but includes language skills and grammar points)</p> <p>Exam Practice Workbook. (Exam-style reading, writing and listening questions relating to topics -there are plenty of grammar questions to check you are exam ready.</p>	<p>Quizlets</p> <p>Seneca</p> <p>BBC Bitesize</p> <p>Duolingo</p>
Paper 1	<p>Learn, Know, Predict! You can predict the kind of words you'll hear in the exam -learn/revise those words in advance. For example: what words could come up on a listening question about the environment? Do you know the words traffic, global warming etc.</p> <p>Opinions: Knowing adjectives and opinion words are crucial to the listening exam - you will get a lot of positive/ negative questions and if you don't know your opinion words e.g. boring, exciting, interesting, funny, you won't be able to answer these questions.</p>	<p>Use Blooket and Quizlets to practice and test your knowledge.</p> <p>News in French (Foundation students try beginner, Higher students try Intermediate)</p>	<p>Blooket: French adjectives</p> <p>Blooket: Connectives, time references and opinions</p> <p>Blooket: Small but important words in French</p> <p>1jour1actu (News in French)</p> <p>News in French</p> <p>Quizlets</p>
Paper 2	<p>Practise SPEAKING aloud in French</p> <p>A.D.!! Answer, Development (give and explain opinions), Initiative (change tense!)</p>	<p>Practise by saying aloud the answers to each of the questions in the speaking booklet. Model answers and corrected answers are in your books.</p>	

French Continued

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 2	Practise words and answers to questions from your CHOSEN theme as you can GUARANTEE that will come up!	<p>Stick to what you know and use the back of the booklet to add sophistication and extension to your answers. Remember - A.D.!!</p> <p>Make sure there are as many questions as possible in your speaking booklet that you have practised aloud and rehearsed.</p> <p>Try 10 - 15 mins a day of dedicated French speaking practise - doing it with a partner makes it easier. Pick and answer questions.</p>	AQA Vocab Booklet
Paper 3	Recognition of key words on each topic (e.g. family & relationships, technology, freetime, poverty, health, sport, food, environment, holidays, studies, school life, jobs, university), opinions and time references are essential for the reading exam. Ensuring you can recognise time-frames is equally crucial - can you recognise if they are talking about a current, past or future event?	Focus on learning the keys words and ensure you can recognise key structures in each tense.	
Paper 4	Writing practice	<p>Practise writing 90 or 150 words about your family, holidays, where you live etc. Include at least three tenses and show off structures in each piece you write.</p> <p>Try writing mind maps - one for each topic, include key structures, idioms, set phrases, a range of tenses, opinions and explanations. They will help you to recall key structures and you can use them for any last minute revision.</p>	

Geography

Curriculum Lead: Mrs E Randall
emma.randall@carisbrooke.iow.sch.uk

Paper 1: Global Geographical Issues (Topic 1, 2 & 3) - 1 hour 30 minutes

Paper 2: UK Geographical Issues (Topic 4, 5 & 6) - 1 hour 30 minutes

Paper 3: Making Geographical Decisions (Topic 7, 8 & 9) - 1 hour 30 minutes

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	Topic 1 - Hazardous Earth Topic 2 - Development Dynamics Topic 3 - Urbanising World	Produce flash cards for key case studies and themes - then have someone test you on these. Watch the GCSEPod videos (make sure to select those relevant to Edexcel B) Use Seneca to brush up on your knowledge and test yourself.	Seneca
Paper 2	Topic 4 - UKs Physical Landscape Topic 5 - UKs Human Landscape Topic 6 - Fieldwork	Produce flash cards for key case studies and themes - then have someone test you on these. Watch the GCSEPod videos Use Seneca to brush up on your knowledge and test yourself.	Seneca
Paper 3	Topic 7 - People and the Biosphere Topic 8 - Forests Under Threat Topic 9 - Consuming Energy Resources	Produce flash cards for key case studies and themes - then have someone test you on these. Watch the GCSEPod videos Use Seneca to brush up on your knowledge and test yourself.	Seneca
Paper 1, 2 & 3	8 mark exam question structure	Complete past exam papers to familiarise yourself with the exam question structure.	Pearson: Past exam questions

Please make use of the revision classes that take place during lunch break and after school.

Be prepared - both papers require a calculator.

Health & Social Care (BTEC)

Curriculum Lead: Mr A Fleming
anthony.fleming@carisbrooke.iow.sch.uk

Exam: Written Exam - worth 40% of your overall grade - 2 hours

History

Curriculum Lead: Mrs E Randall

emma.randall@carisbrooke.iow.sch.uk

Paper 1: Understanding the modern world (AD) America, 1920–1973: Opportunity and inequality (BD) Conflict and tension in Asia, 1950–1975 - 2 hours

Paper 2: Shaping the nation - (AA) Britain: Health and the people: c1000 to the present day (BA) Norman England, c1066–c1100 - 2 hours

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	<p>Understanding the modern world (AD) America</p> <p>1920–1973: Opportunity and inequality (BD)</p> <p>Conflict and tension in Asia, 1950–1975</p>	<p>Have a go at knowledge quizzes on Seneca Learning</p> <p>Complete past exam papers and submit them to your teacher for marking.</p> <p>Read of a knowledge organisers for America 1920-1973</p> <p>Watch the Bitesize videos</p>	<p>Seneca</p> <p>PDF: Knowledge organiser for America 1920-1973</p> <p>BBCBitesize: Korean War</p> <p>BBCBitesize: Vietnam War</p>
Paper 2	<p>Shaping the nation - (AA)</p> <p>Britain: Health and the people: c1000 to the present day (BA)</p> <p>Norman England, c1066–c1100</p>	<p>Have a go at knowledge quizzes on Seneca Learning</p> <p>Health and the People - write a list of key people and how they have helped or hindered (stopped) progress</p> <p>Complete past exam papers and submit them to your teacher for marking.</p> <p>Learn the 7 factors for the final question on the medicine paper. You will need to confidently argue about 3 factors including the one in the question if you wish to achieve the higher marks</p> <p>Watch the Bitesize videos</p>	<p>Seneca</p> <p>BBCBitesize: Normans</p> <p>BBCBitesize: Britain Health & People</p>
Paper 1 & 2	Exam Structure	<p>Use Think Student website for tips on how to revise for your history exams.</p> <p>Know the structure of each exam paper - 4 questions on Asia, Normans and Medicine, 6 on USA</p>	Think Student

History

Continued

Paper	Revision Priorities	Suggested Activities
Paper 1 & 2	Key terms/information to remember	<p>Create a set of flash cards /mind maps for each topic and use them regularly. Highlight the main issues/events/people and test yourself regularly.</p> <p>Create a glossary of key terms for each topic (this could help you get higher SPaG marks)</p> <p>Write a time line of key events for the Normans 1066-1100, America 1920-1973, Medicine for each time period Medieval - 1000-1500, Renaissance - 1500-1800, Industrial 1800-1900, Modern 1900 onwards, Conflcit in Asia for the Korean War 1950-1953 and Vietnam War 1954-1975</p> <p>Write a PEEL paragraph in 5 minutes to explain the importance of a key individual/development/event for example: explain the importance of Vesalius to the development of medicine, explain the importance of castles for William's control of England</p>

Write a list of questions/topics you are unsure about. Research these, ask your teacher if you have any questions. Please make use of the revision classes that take place in school.

Mandarin

Curriculum Lead: Ms C Jones
 cathy.jones@carisbrooke.iow.sch.uk

Paper 1: Listening
 Paper 2: Speaking
 Paper 3: Reading
 Paper 4: Writing

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 1	<p>Students are expected to be able to:</p> <ul style="list-style-type: none"> demonstrate general and specific understanding of different types of spoken language follow and understand clear standard speech using familiar language across a range of specified contexts identify the overall message, key points, details and opinions recognise the relationship between past, present and future events deduce meaning from a variety of short and longer spoken texts including short narratives and authentic material recognise and respond to key information, important themes and ideas in more extended spoken text, including authentic sources, adapted and abridged, as appropriate 	<p>Use the video resources and online learning files on Google Classroom: these demonstrate pronunciation.</p> <p>Visit the links to sample files through Google Classroom</p>	<p>Youtube: Listening to sentences and phrases</p>
Paper 3	<p>Students are expected to be able to:</p> <ul style="list-style-type: none"> understand and respond to different types of written language understand general and specific details within texts identify the overall message, key points, details and opinions recognise the relationship between past, present and future events demonstrate understanding by being able to scan for specific information translate a short passage from Chinese (Mandarin) into English 	<p>Use the AQA GCSE vocabulary resource booklet to practice your key words</p> <p>Complete the sample questions on Google Classroom</p>	<p>AQA GCSE vocabulary resource booklet</p>

Mandarin Continued

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 4	<p>Students are expected to be able to:</p> <ul style="list-style-type: none"> • communicate effectively in writing for a variety of purposes across a range of specified contexts • write short texts, using simple sentences and familiar language accurately to convey meaning and exchange information • produce clear and coherent text of extended length to present facts and express ideas and opinions appropriately for different purposes and in different settings • make accurate use of a variety of vocabulary and grammatical structures, including some more complex forms, to describe and narrate with reference to past, present and future events • manipulate the language, using and adapting a variety of structures and vocabulary with increasing accuracy and fluency for new purposes, including using appropriate style and register • make independent, creative and more complex use of the language, as appropriate, to note down key points, express and justify individual thoughts and points of view, in order to interest, inform or convince • translate sentences and short texts from English into Chinese (Mandarin) to convey key messages accurately and to apply grammatical knowledge of language and structures in context. 	<p>Students should use the sample questions at the back of their vocabulary booklets to prepare answers on a range of topics.</p> <p>Work completed in these booklets by students outside of lesson time can also be marked if students submit to teachers.</p>	

Music

Curriculum Lead: Mrs N Westby
natalie.westby@carisbrooke.iow.sch.uk

Paper 1: The performance portfolio (coursework based)
Paper 2: The composition portfolio (coursework based)
Paper 3: Listening and appraising paper (1 hour 45 minutes)

Paper	Revision Priorities	Suggested Activities	Information Links
Paper 3	The various features of each of the eight set works.	<p>Listen to the corresponding set work whilst revising its analytical features; this will help to embed the features and link to how they sound within the work. This will help with the initial six listening questions.</p> <p>Use Teoria to practise melodic and rhythmic dictation. If you are finding it too easy or difficult, or find that you often trip up with a certain interval then change the settings to focus your ear training on your weak area.</p>	Teoria

Sports (BTEC)

Curriculum Lead: Mr E Jager
ed.jager@carisbrooke.iow.sch.uk

Paper / Component	Revision Priorities	Suggested Activities	Information Links
Component 3	Components of Fitness	<p>Create and use flash cards to read the definitions and answer with the correct COF or the other way around.</p> <p>Can you give sports examples for each COF? Can you explain why the COF is used in that situation?</p>	The EverLearner
Component 3	Principles of Training	<p>Create and use flash cards with the definitions on one side and the PoT on the other. Also do cards with sports examples on one side and the PoT on the other. Can you correctly match up the PoT with both the sporting example and definition?</p>	The EverLearner
Component 3	Fitness Tests - how to complete them + advantages and disadvantages	<p>Have someone name a fitness test. Can you describe how you complete it? Can you give the advantages and disadvantages of it?</p> <p>Write instructions on how to complete each fitness test. It needs to be done step by step like if you were explaining it to someone with no knowledge of it.</p>	The EverLearner
Component 3	Technology use in sport	<p>Write a list of sports that use technology and have someone else pick one. For that sport, write an explanation for how technology is used in that sport? What are the advantages for that sport and the disadvantages?</p>	The EverLearner
Component 3	Sports provision	<p>Write a list of different sports facilities on the island. Have someone pick them one at a time. Can you explain what type of provision it falls into?</p>	

The Planet PE Youtube channel is also a great resource for checking your knowledge. We have put together a list of revision topics and relevant video links: [Planet PE Video Links](#).
